T.D. MICHEL PUBLIC SCHOOL NEWSLETTER

November

PRINCIPAL'S MESSAGE

Dear families & friends,
As we welcome the month of November, I would like to take a moment to reflect on the wonderful learning and growth happening throughout our school. It is a pleasure to see our students building friendships, developing new skills, and showing pride in their learning each day. Our students continue to work hard developing their reading, writing, math and problem-solving skills. Thank you for supporting your child's learning at home.
One of the things that makes me most proud of our school is seeing students demonstrate kindness in their everyday actions. Whether they are helping a classmate, sharing with others, including others, or taking care of our school environment, these small acts make a big difference. Please continue to talk to your child about being respectful, responsible and kind.
Regular school attendance helps students build strong routines, maintain friendships and stay connected to classroom learning. Every school day provides valuable opportunities for learning and growth.We appreciate your continued support in ensuring that students arrive at school on time and are ready to learn.
As the weather becomes colder, please ensure that your child comes to school dressed appropriately for being outdoors. It would also be very helpful if you would label your child's belongings.
In November, we take time to remember and honor the brave Canadians who have served and continue to serve our country. Our students will have opportunities to learn about the importance of Remembrance Day and reflect on the values of peace, courage and gratitude. We will once again attend a service at the Legion on Monday, November 9th at 10:30. Please feel free to join us.
Thank you for your continued partnership and support. A strong school community is built when families and school staff work together to help children succeed. Your encouragement, communication, and involvement make a meaningful difference in the lives of our students.
Wishing you all a wonderful November!

Sincerely,
Nadine

COMMUNITY CONNECTIONS

A shout out to the Town of Big River and our local volunteer fire fighters for organizing an afternoon of awareness for our students during Fire Safety Prevention Week.

On October 8, Riley Kennedy, Adrian Proulx, Darcy Belair, and Justin Sullivan showed the Kindergarten to Grade 6 students around the trucks and equipment they use when they are out on a call.

Each student was given a bag with Fire Safety information and a firemans hat.

All students were entered into a draw for a smoke detector and our winners were JR, Kip, Barrett, Luka, Heidi, and Tucker. Thank you to Big River Children's Fund for donating the smoke detectors.

SEASONAL NOTES

Colder days are here, and snow is on the way! Students continue to go outside for recess, so please make sure they come dressed for the weather with warm coats, boots, mitts, and hats. As winter gear starts making its way to school, please remember to label all items with your child's name. This makes it much easier to return lost items to their owners.

Around Our School

CHRISTMAS STORE DONATIONS

Each year, our Christmas Store gives students the opportunity to shop for special gifts for their family members at no cost. We are looking for donations of new or gently used, school appropriate items (giftware, jewelry, tools, gifts for men, consumables, etc.) as well as wrapping paper, tissue paper and gift bags to help make this experience special for our students!

If you have items you think someone would love to receive as a gift, we would be grateful for your contribution. We would also welcome cash donations which would be used to purchase extra gifts. Donations can be dropped off at T.D. Michel Public School anytime until December 4.

Thank you for helping us spread a little extra Christmas joy and make the season special for our students and their families! ❤️

Thank you to our bus drivers for helping us out when we ask!

In addition to the care and attention they give as bus drivers on a day to day basis, they also help us out by driving to other events in and out of the community.

Thank you for always going above and beyond for our students!
