T.D. Michel Public School

September/October 2026

PRINCIPAL'S MESSAGE

Welcome to the 2026–2027 school year at T.D. Michel Elementary! It has been wonderful to welcome our pre-kindergarten to Grade 6 students back through our doors. September is always an exciting time as we reconnect with friends, establish routines, and begin another year of learning and growing together.

Our school is a place where every student should feel safe, valued, included, and supported. As we begin the year, we will continue to focus on building positive relationships, encouraging kindness and respect, and helping every child develop confidence as a learner.

As we settle into our school routines, please remember to:

- Encourage your child to arrive at school on time and ready to learn.
- Help your child establish consistent morning and bedtime routines.
- Check backpacks and school communications regularly.
- Keep the school informed when your child will be absent.
- Label your child's personal belongings.
- Encourage your child to ask questions, try new things, and persevere when learning is challenging.

I am looking forward to a year filled with learning, laughter, friendship, growth, and many successes. Thank you to our families for the many ways you support your children and our school. Your partnership makes a meaningful difference in student success.

Together, we can make 2026–2027 a wonderful year for every student at T.D. Michel Elementary.

Please reach out to me directly if you ever have questions or concerns. Wishing everyone a happy fall!

NATIONAL DAY FOR TRUTH & RECONCILIATION

On September 30, we were honoured to welcome Derek Rabbitskin, his daughters, and five singers and drummers from Big River First Nation to T.D. Michel Public School. They shared traditional dances with our students and staff and invited us to participate in a round dance and another group dance. It was a wonderful opportunity to learn, participate, and come together as a school community.

At 2:30 p.m., we joined together for a walk downtown to show our support and recognize the importance of the day.

A special thank you to the Big River Children's Fund for generously donating orange shirts for students who needed one. Your support helped ensure everyone had the opportunity to participate.

We are grateful to our guests for sharing their culture and traditions with us and helping make the day meaningful for our students and staff.

COMMUNITY CONNECTIONS

Big River Children's Fund continues to support our school in every way possible. Since the start of this school year, they have:

- continued monthly hot dog days
- donated extra orange shirts for Truth & Reconciliation Day for students
- donated door prizes for the SCC BBQ
- purchased a box of burgers for the SCC BBQ
