

# T.D. Michel Public School

A safe and welcoming learning environment is what you will find at T.D. Michel Elementary School. It is important to us that every student feels safe and heard. Our goal is to nurture a joyful, responsible, and diverse community that inspires each child to reach their full potential and make positive connections.

Staff learning involves a variety of professional development designed to enhance teaching skills, foster collaboration, and improve student outcomes. The leadership team offers meaningful opportunities for our staff to engage with our mission, providing time to celebrate achievements, share insights, and collaborate effectively.

Excellence for every learner is achieved through evidence-based instruction. Our best practices align with the goals of our school and the Division Strategic Plan, ensuring that they are implemented in the classroom to engage and include our students in meaningful ways. Our staff is dedicated to student success, fostering a strong sense of belonging for both students and staff.
